Sub: Submission of manuscript for consideration of publication

Dear editor

I am submitting a manuscript titled **Knowledge, perception and practice of self-medication among premedical and basic science undergraduate medical students** for consideration of publication in your esteemed journal s an original research article on behalf of all my coauthors.

"Upon acceptance by Asian Journal of Medical Sciences, all copyright ownership for the article is transferred to Asian Journal of Medical Sciences. We, the undersigned co-authors of this article, have contributed significantly to and share in the responsibility for above. The undersigned stipulate that the material submitted to Asian Journal of Medical Sciences is new, original and has not been submitted to another publication for concurrent consideration.

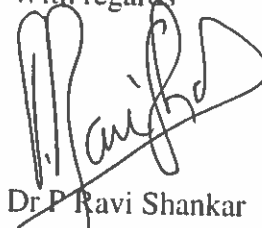

We also attest that any human and /or animal studies undertaken as part of the research from which this manuscript was derived are in compliance with regulation of our institution(s) and with generally accepted guidelines governing such work.

We further attest that we have herein disclosed any and all financial or other relationships which could be construed as a conflict of interest and that all sources of financial support for this study have been disclosed and are indicated in the acknowledgement. This statement must be signed by all the major co-authors."

All coauthors have read and approved the submitted manuscript. The manuscript has not been previously published or submitted elsewhere

Hoping for a favorable consideration

With regards

A handwritten signature in black ink, appearing to read 'Dr. P. Ravi Shankar', written over a horizontal line.
