

## CALL FOR PAPERS

### INFORMATION FOR AUTHORS

- ▶ Health Renaissance is a scientific, biomedical journal of B.P. Koirala Institute of Health Sciences, Dharan, Nepal and is published three times in a year. It aims at publishing articles pertaining to various disciplines of medical science, health-related issues, primary health care and medical education. It publishes original articles, review articles, case reports, brief communications and letters to the editor.
- ▶ All materials submitted for publication must be submitted exclusively to Health Renaissance and should be accompanied by a covering letter bearing the following statement signed by the corresponding author:  
“The undersigned author warrants that the manuscript entitled, “ ..... “ is original, has not been published elsewhere and is currently not under consideration for publication by any other journal (except in the form of an abstract; if applicable in such cases, please quote the reference). If accepted for publication in Health Renaissance, it will not be published elsewhere in whole or in part, without the editor’s written permission”.
- ▶ All materials submitted for publication will be scrutinized by the Editorial Board and reviewed by independent experts. If accepted, the manuscripts are subject to editorial revisions.
- ▶ The Editorial Board reserves the right to reject the manuscript submitted for publication.
- ▶ The journal also accepts announcements for the forthcoming scientific events free of cost.
- ▶ For spellings and grammar, Oxford style of English should be followed.
- ▶ The manuscript should be arranged in the following sequence: Title, Abstract, Introduction, Methods, Results, Discussion, Acknowledgement if any, References, Tables and Legends to figures.
- ▶ The manuscript should not exceed 3000 words and 30 references for an **original article**, 4000 words and 50 references for a **review article**, 1000 words and 10 references for a **case report**, and 1000 words and 10 references for a **brief communication**, 500 words and 5 references for a **letter to the editor**.
- ▶ **Title:** it should be brief and appropriate, should have name and academic designation of the author(s), name of the department(s) and the institution(s) where the work was carried out and its location, and address for correspondence. A short title not exceeding 50 characters should also be included.
- ▶ **A structured abstract** not exceeding 250 words for original and review articles and 50 words for case reports should be typed on a separate sheet of paper. A list of 3 to 10 keywords of Medical Subjects Headings from Index Medicus should be added to bottom of the abstract page. Abstract must be structured containing introduction, objective, methods, results and conclusion.
- ▶ **References** should be in Vancouver style and serial number of each reference in the text must be given as superscript. Personal communications may be cited in the text but should not be included in the list of references. List all authors when there are six or fewer; if more than six, list first six followed by et al. Journal abbreviations should

### Preparation of manuscript

- ▶ Manuscripts should be prepared in accordance with the “Uniform requirements for manuscripts submitted to biomedical journals” compiled by the International Committee of Medical Journal Editors (N Eng J Med 1977; 336: 309-15).

be as used in the Index Medicus. References should be quoted as follows:

**From a journal**

Newton C R, Peshu N, Kendall B. Brain swelling and ischaemia in Kenyans with cerebral malaria. Arch Dis Child 1994; 70:281-7.

**From a book**

Ringsven MK, Bond D. Gerontology and leadership skills for nurses. 2nd ed. Albany, New York: Delmer Publishers; 1996.

**From a chapter in a book**

Phollips SJ, Whisnant JP. Hypertension and stroke. In: Laragh JH, Brenner BM, editors. Hypertension: pathophysiology, diagnosis, and management. 2nd ed. New York: Raven Press; 1995. p. 465-78

- ▶ Each **Table** should be typed on a separate page and should be numbered in Arabic numerals e.g. 1,2,3 etc. in the sequence in which they are quoted in the text. Their appropriate positions in the text must be indicated.
- ▶ If required, three complete sets of black and white **photograph(s)** or **figure(s)** on glossy paper should be submitted. These should be numbered in Arabic numerals e.g. 1,2,3 etc. in order of their appearance in the text and should be marked lightly with a pencil on the back with

the title of the article and an arrow to indicate the top of the photograph. Legends to photographs should be typed on a separate page and should be brief and expressive. These should be kept in a separated envelope to be enclosed with the manuscript. Recognizable photographs of the individual(s) should be accompanied with the written consent of the individual(s) or guardian(s).

- ▶ All pages should be numbered consecutively beginning with the abstract page.

**Submitting a manuscript**

- ▶ Please register with the journal web page and submit your manuscript online.
