

PATENT REGISTRATION OF GAMBHIR THORACOSTOMY FORCEPS

I am pleased to announce that Gambhir Thoracostomy Forceps has been approved by Scientific Committee and Department of Industry Government of Nepal for Registration and Patent Rights for Industrial Production and Medical use. With this approval this instrument will be manufactured and marketed soon.

I hope our medical colleagues will accept the Instrument and will utilize it for Emergency Thoracostomy Tube Drainage Surgery. I wish to thank my friends who have encouraged me to develop this instrument.

Gambhir Thoracostomy Forceps

***With Thanks,
Col. Dr. Gambhir Lal Rajbhandary
MBBS, MS, FICS
Consultant Cardio-Thoracic Surgeon
Shree Birendra Hospital***
