

# Historical Background & Highlights of Shree Birendra Hospital

- Col. Dr. Krishna N. Rayamajhi  
Clinical Registrar

On 24 Bhadra, 1983 B.S. (9th September 1926 AD) His Late Majesty King Tribhuban Bir Bikram Shah Dev inaugurated the Shree Tribhuban Chandra Military Hospital, Mahankalsthan Kathmandu by opening a golden lock on the main door.

The new Hospital Shree Birendra Hospital at Chhauni was completed on Paush 13, 2047 B.S & was inaugurated by the Chief of the Army Staff General Dharmapal Barsingh Thapa on Paush 13, 2052 B.S.

Shree TCMH Hospital at Mahankalsthan house inpatients for chronic chest diseases & OPD facilities for retired army personnel & family beside Pediatric & Gynecology OPD services.

At present Shree Birendra Hospital Chhauni has 3 hundred beds with Surgical specialities routinely doing major Surgery on General Surgery, Orthopedics and Traumatology, Ophthalmology, Otorhinolaryngology, Neuro-Surgery, Thoracic Surgery including Closed Heart Surgery, Gynecology, Facio-Maxillary Surgery, supported by Anaesthesiology, Physiotherapy and Lithotripsy Units.

Medical specialities provide services on General Medicine Cardiology, Pulmonology, Psychiatry, Dermatology and Pediatrics with facilities for ICU, CCU, G.I. Endoscopy, Bronchoscopy, Spirometry, ETT and Haemodialysis unit for Renal Failure Patient.

These services are given 24 hours backup support by Dept. of Radiology with MRI, Pathology Dept. with Blood Bank.

Hospital runs various Trainings to Upgrade skill of Para Medical Staffs and Hospital has Library with new journals and books on various specialities.

Shree TCM Hospital started 73 years back to honour the brave soldiers of Nepal who laid their life in first world war of 1914 to 1918 AD. with few numbers of beds and limited medical facilities.

At present with starting of new Shree Birendra Hospital Chhauni with modern medical facilities and well trained man power it has become the one of leading Hospitals in Nepal.

Beside giving service to regular Army it provides medical services to retired Army Personnel, their families & also provides services to civilian population during Accident and Mass Casualty following Earth Quake, Land slides, Floods & Air crash etc.

For Heli Medi Vac (Helicopter Medical Evacuation) a team of Doctors, Medical Assistants Helicopter crew team are in standby round the clock.

This facility is available to all the ranks of Royal Nepalese Army. Every member of Royal Nepalese Army should be proud to have this privilege.

With time we all the Medical staffs of this hospital are dedicated for good health of all the soldiers and their families and all are determined to advance the glory of this prestigious institution.
